Saturday Parade Highlight Of Big Western Weekend

Following a pancake breakfast Saturday morning, a big event of the Evergreen Rodeo, the Annual Parade at 10:15 a.m., will get the western weekend started in a big way.

A dance in the Centennial Civic Centre on Friday, June 12th is a prelude to the big events of Saturday and Sunday that will start with a pancake breakfast between 7:00 and 10:00 a.m. Saturday morning. The breakfast will also be held at the Civic Centre.

Rodeo events at the West Valley Park will get underway at 1:00 p.m. on both Saturday and Sunday.

A western barbeque will also be featured at 5:00 p.m. on both days on the grounds. Horse racing will be held at 7:00 p.m. Saturday, followed by pony chariot, chuckwagon races and the grandstand show.

A feature of Saturday evening will be the crowning of the Rodeo Queen. Two girls, Holly Boles and Sandra Guze, are contesting the queen title.

Climaxing Saturday's events will be a western dance in the Civic Centre.

On Sunday the rodeo events will again start at 1:00 p.m., the barbeque at 5:00 and pony chariot, chuckwagon races and the grandstand show start at 7:00 p.m. Trophy presentations will be made Sunday evening.

A midway will be on the grounds both days.

The C.A.C.A. approved rodeo is being sponsored this year by the Drayton Valley Lions Club with the Rotary Club in charge of concessions. Stock contractor is Melvin Franklin of Marwayne.

COMMITTEE TO MEET PARENTS ON DISMISSAL

Parents will meet officials of the County of Parkland School Committee June 16th to discuss the firing of a teacher.

The action, decided upon at a meeting at Spruce Grove Junior High School, Thursday night, follows a Tuesday "sit-out" protest by about 150 students.

The students say they adopted the measure because they felt Brian Bernard, 22, a Grade 7 teacher, was fired because of his appearance, not because of his ability.

The committee set up at the Thursday meeting will consist of four parents and one student representative.

Trophy events and sponsors are as follows: Best All Round Cowboy, Pankys Enterprises D.V. Ltd; Saddle Bronc, Sekura Auctions; Bareback, Swanee Well Servicing Ltd.; Wild Cow Riding, A & M Plumbing & Heating Ltd.; Jr. Steer Riding, LaTosky Construction & Gravel Ltd.; Calf Roping, Meraw & McGee Well Servicing Ltd.; Steer Decorating, I.G.A. Store; Wild Horse Race, M & R Trucking Ltd.; Ladies' Steer Undecorating, Drayton Valley Hotel; Wild Cow Milking, Rimbey Wire Line Service Ltd.

People who live along the route of Saturday's Evergreen Rodeo parade are asked to keep their dogs in during the parade. A dog could startle horses and the possibility exists of a rider being injured, or a disruption of the parade ensuing.

Millrate of 86 Set By Entwistle Council

At a meeting of the Entwistle Village Council June 1st, the 1970 budget was finalized and By-law 172 authorizing the setting of the mill rate at 86 mills was passed by Council. This is a decrease of 1 mill from the 1969 rate.

The 1970 school requisition from the County of Parkland #31 is not yet in, however all indications are that there will be no marked change in this area and Council decided to set the mill rate for this purpose at 12 mills, the same as in 1969.

School Foundation Fund requisition has risen 2.8 mills over 1969 making the total rate for

school purposes 40.8 mills.

Health costs have decreased 2.1 mills and for all other municipal purposes the rate is decreased 1.4 mills.

The Village will not participate in The Youth Employment Service program this summer as it is felt that this service is not used sufficiently to warrant the expense.

The Secretary will be attending the Municipal Refresher Course in Banff and the office will be closed Monday, June 8th to Thursday afternoon, June 11th.

The next regular meeting of Council will be held as usual, the second Monday, June 13th.

event and a final vote of delegates ended in a tie, decided in Drayton Valley's favor by the vote of the chairman.

A large number of skaters from Northern Alberta will be here for the event. The area encompassed stretches from Wainwright to Jasper, and from Leduc north, excluding the city of Edmonton.

Winners of the sub-sectional competition here will go on to the sectional finals at Sherwood Park later in the winter.

Combined Picnic Held by Churches

An estimated 150 children and 100 adults took part in the co-operative picnic of Drayton Valley churches at the West Valley Park Sunday afternoon.

A concession booth on the grounds sold as closely to cost as possible and ended the day with a balance of \$4.02 after contributing \$7.50 to the children's games and races.

Thanks are extended to all who came out and those who helped with arrangements and to the Lions Club for use of the picnic grounds.

Swim-a-thon to Be Held June 20-21

A Swim-A-Thon will be held at the D.V. pool on June 20th & 21st from 9 a.m. to 12 noon. Maximum of 64 lengths -- those swimming this will be awarded a Mile Swim Crest and card if completed in less than 45 minutes.

Pick up your sponsor sheets at the pool. Open to all, so come along and enjoy the fun.

Proceeds to Neptune Swim Club.

Entry forms to be returned by June 17th.

Building Fund Draw Approaching

Draw date for the Elks Building Fund raffle is rapidly approaching and anyone wishing tickets on the draw for a Duster car and 19" color TV should act soon.

The draw will be made June 26th. If you wish a ticket contact any member of the Elks Lodge.

Proceeds from the raffle will go into the fund for the construction of a new hall in Drayton Valley.

WATER RESTRICTIONS

The water situation in Drayton Valley is still critical and restrictions imposed last week are still in effect.

High School Awards Presented

The three students shown above received awards for outstanding accomplishments at the Frank Maddock High School Awards Night last Wednesday evening. From the left, Pat Hoge, outstanding girl; Ron Cameron, outstanding boy; and Terry Pezzot, Frank Maddock Trophy for Academic Achievement.

Drayton Awarded Skating Sub-finals

Drayton Valley has been awarded the sub-sectional competitions for the Canadian Figure Skating Association to be held at the Centennial Civic Centre December 5th and 6th.

The decision to award the event to Drayton Valley came at Saturday's zone meeting of the C.F.S.A. held in Edmonton. The Drayton Valley club was represented at the meeting by Mrs. Gwen Simpson and Mrs. Doris Reid.

Vegreville and Drayton Valley put up strong competition for the

Commercial Golf League standings: Crough, 22 pts.; Rose, 21 pts.; Ganske, 18 pts.; Machan, 17 pts.; Metelski, 17 pts.; Pederson, 15 pts.; Kondratuk, 15 pts.; Shimbashi, 12 pts.; Hopfe, 9 pts.; and Heyland, 6 pts.

Competition in the Golf League is picking up enthusiasm as the handicaps are now set and the thirst for points is starting to pick up. Outstanding match last week saw Dan Davies and new Club President Ken Gillis shooting 35's but Gillis had to give up a stroke on the handicap and lost the match. The ninth hole saw an eagle by Davies and birdie by Gillis. Ken Shepard after putting his first shot on 5 in the beaver pond proceeded to hole his next shot out for a 3 with a two stroke penalty.

Bill Rose's squad were the first to make a clean sweep in a night as they picked up the maximum 10 points by winning all four matches and received the extra two points for the clean sweep.

Course record to date is a 34 shot by Dave Boulter with birdies on 3, 4 & 9, this mark will probably be shattered in the next few weeks with threats from some of the other big guns.

GOLF TIP -- When you are putting from the outside edges of the greens, visualize the cup as being three feet in diameter, this will help you two putting instead of being short or being too long, then three putting for a bogie or double bogie.

ALL ROADS LEAD TO THE EVERGREEN RODEO

EVANSBURG NEWS

Spring has turned into summer with a vengeance and for the last three days, the temperature has really soared. And, I must say, sitting under the striped umbrellas in Storeland Valley Zoo writing this news, does not change the temperature one bit.

Having been tied up with dental appointments and worrying about the mail going through, I have missed writing news items lately, sorry.

The Cubaree held in the nearby park was well attended and the boys all had a fine time.

The Legion held their annual VE day social and this year named the village Citizen of the Year at this function. May I add my congratulations to Mr. Krasowski for having been presented with the award. Mr. Krasowski has been CN station master and Cubmaster in the village for a number of years.

The walkaton sponsored by the High School proved quite successful. The two youngest walkers, Marvin Brown and Kelly Bruner, both 7 years old, walked 8 of the 25 miles, and this on the first really scorching day of the season.

Work has begun on the museum building. The foundation has now been put in and volunteer workers are to be seen almost every evening working at the site, readying it for the official opening on July 4th.

Mr. and Mrs. J. Otto motored to Edmonton to attend the golden wedding anniversary of Mr. and Mrs. Linden, Edmonton. Mrs. Linden is Mrs. Otto's sister.

Travelling to Grande Cache recently were Glen Buckler, Drayton Valley, Joe Tomkinson, Ian Thomas, Fred Saleski and Nigel Aspeslet, all of Evansburg. These men attended the charter night, May 23rd, of the Kinsmen Club of Grande Cache. Charter members of the Kinsmen Club are former Evansburg residents Louis Grassi and Vern Byers and of the Kinette Club, Mrs. Grassi and Mrs. Byers. All those

MR. and MRS. ANDERSON

Couple Celebrate 60th Anniversary

Mr. and Mrs. Peter Anderson of the Wildwood district were honored at a family gathering Sunday afternoon on the occasion of their 60th wedding anniversary June 10th.

The couple have spent a large part of their lives in the Wildwood area where they still reside. Both, though over eighty, are alert and youthful with a keen interest in affairs of family, community and country. They maintain their own home on the farm of a son where Mrs. Anderson still enjoys growing a garden each year.

Mr. Anderson was born in Ottertail, Minnesota in 1884 and

moved to Canada to homestead at Wildwood in 1908.

Mrs. Anderson, the former Freda Eleanor Pearson, was born in northern Sweden in 1886 and immigrated to Canada in 1907. The family resided first at Salmon Arm, B.C. before moving to the Leaman area west of Wildwood in 1908.

They were married June 10th, 1910 and lived on the homestead at Wildwood until 1917 when they moved to the Camrose district. They returned to Wildwood in 1937 and have resided there since.

The couple have two sons, Astrid and Peter and two daughters Jenny and Lydia; nine grandchildren and eleven great-grandchildren.

LETTERS

TO THE EDITOR

Editor,
The Western Review

Dear Sir:

I have recently been elected as president of the Pembina Oil-field Fish and Game Association. I would appreciate the use of your newspaper as a means of contacting members and non-members alike.

To anyone who is un-informed or mis-informed, as the case may be, our club is not solely engaged in the wholesale slaughter of wildlife. My own hunting and fishing success in any case would tend to support this.

We have as our members a good number of people who do not hunt or fish, but are concerned with the conservation of our wildlife, forests, fresh water and

soil. These are our four renewable natural resources and are interdependent. Our club is not on a conservation kick as we have no political or financial reasons behind our views.

The motto of the provincial organization is "Wise Use Without Waste". The foremost policy is conservation and always has been.

Our own club can take credit for bringing matters to the attention of the parent club and consequently to the legislature. One thing we have been concerned with for years is the mess at the Brazeau Dam. We have not been able to get a real clean-up started, but through our efforts all future dam sites are to be cleared before flooding, as is being done at the Big Horn.

We have been trying for years to get suitable regulations passed by government regarding strip mining, oil exploration and provincial parks. The government however, is inclined to allow itself to be pressured by big money corporations into allowing the exploitation and waste of our natural resources.

We however have one thing they need and that is the vote. The larger our organization, the more voice we have in these affairs. Your membership then is in effect a vote for conservation; and we need your vote. Please don't just join to obtain the insurance liability or magazine subscription. There are far greater benefits than these to be obtained.

We must get our yearly membership sales in by the middle of this month. Contact a member for yours.

Sincerely yours,
President Ken James.

RAMONA NEWS

Congratulations to the Bob Blake family on the birth of their baby girl Heather May.

Get well wishes go to Cecil Kelly who is in Drayton Valley hospital. Cecil underwent surgery Tuesday, June 2nd. We hope you're up and around soon Cecil.

Gwen Melnyk is on the mend again and was able to take her place on the bowling team Tuesday afternoon. Keep up the good work Gwen.

The Ken Stewart family motored to New Hazelton, B.C. on the weekend to visit Ron and Bob Stewart and families.

David and Bobbie Kmyta and Allen and Don Stewart attended the gun club wind-up wiener roast at the camp site Monday night. They all enjoyed themselves very much. Congratulations to David Swap who won a nice trophy.

The Ramona Teen Club will hold a White Elephant Rummage and Bake Sale on Saturday, June 20th about 2 p.m. Raffle tickets will be sold on a barbeque. Coffee and lunch will be served for a silver collection. Everyone is welcome.

Beatrice Swap was home from hospital for the weekend. She would like to thank the community for the flowers she received while in the hospital. We hope you will soon be home to stay Beatrice.

Congratulations to Marvin and Lorraine Sullivan on the birth of their son. We were sorry to hear he is in an Edmonton hospital, but hope he will soon be home with his sister and brother.

Follow this water safety tip. Whenever you go out in a rowing boat or powered craft, make sure that all children and non-swimmers wear a lifejacket at all times. It's not worth it to take risks.

End to Barbaric Cruelty Long Overdue

Every year terrible cruelty is inflicted on fur-bearing animals by present-day trapping methods. The leg-hold trap, still used by almost all trappers in Canada, holds the animal by its paw in strong steel jaws. The leg is often broken and the flesh badly torn.

The animal suffers agony in the trap, frequently for days on end, perhaps until it dies of hunger, thirst or cold. Terrified, the victim is held this way in excruciating pain until death delivers it from its agony.

The suffering endured in these traps is beyond comprehension, and something most people would rather not dwell upon. Sometimes the trapped animal, in panic and pain, flings and twists itself about until it manages to tear its foot off; or after the lower paw becomes numb, chews the foot off, and escapes to either die of infection or survives permanently mutilated. These are known to trappers as "wring-offs".

They have devised ways of dealing with possible "wring-offs". One is a "drowning set" that adds another terror to the pain of being caught by a leg. Another is the "spring pole set" that utilizes a bent over sapling to hurl the animal in the air after triggering the trap. The animal then dangles with its weight on one mangled foot until death mercifully relieves its suffering.

About 4,000,000 animals suffer these horrible deaths every year in Canada for the sake of fashionable furs.

Leg-hold traps are barbaric devices of the past and should be outlawed in Canada, as they already are in many countries. Bills introduced for this purpose in the House of Commons have been "talked out" on previous occasions but an expression of outrage by voters would give future legislation a better chance of success.

Elimination of leg-hold traps would not deny a livelihood to those dependent upon trapping. Humane (instant-kill) traps are available but not readily accepted. The elimination of the leg-holds would speed up refinements and acceptance of the humane trapping devices.

If you are concerned about the terrible cruelty being inflicted on wild animals, you can do something to make your voice heard. Write to the Canadian Association for Humane Trapping, Box 934, Station F. Toronto 5, Ontario. Your membership (\$2.00 a year) will aid the fight to spare wild animals the terror and pain of slow death in a leg-hold trap.

Terror-stricken fox caught in leg-hold trap.

FARM SAFETY day

Edges on the Figure Eight

Correct equipment is the first and most important element in determining to what extent a skater will progress. When buying skating blades and boots they must provide a proper fit and good support, especially through the arch area. A skater whose ankles turn in does not necessarily have weak ankles merely poor fitting and poor supporting boots. It is much wiser to buy new boots each year, for growing feet, than to purchase boots that are too large and expect them to do for several seasons. Improperly fitting new boots can be so badly deformed in one season that they are not fit to be sold as a second hand boot another year. Second hand boots can be so badly deformed that another person wearing them will have their feet take the shape of that boot. However, a well fitting, good supporting second hand boot can be a good buy, if not mishapen by the previous wearer and can be a better buy than a new pair of too big, poorly supporting boots.

Whether boots are new or second hand the following check points are recommended as a guide to your purchase and future care of your skating equipment.

A skating boot should fit snugly. Be sure the heel does not slip up and down when the boot is laced. There should be no wrinkles in the leather of the boot from the instep back to the heel. The boot should have a rounded toe with enough space to wiggle your toes freely inside the boot.

Never have your skates fitted over a heavy sock. Always wear the pair you will be wearing for skating to try on when you are purchasing another pair. Socks should be neither too tight, as they will bind, nor too loose, as

they will bunch and be uncomfortable. Girls or ladies leotards are suitable weight or a dress sock for men. Heavy socks, binding the feet are the most common reason for cold feet. Boot covers, either bought or made from a heavy sock should be worn over the boot for warmth.

Ideally boots should be made of leather with a leather lining and a leather sole. Avoid plastic soles. (They tend to twist, have no arch support, are colder on the feet, occasionally will crack).

Ken Gillis Wins 5th Annual Oilmen's Golf Tournament

The weatherman smiled on last weekend's 5th annual Pembina Oilmen's Golf Tournament and 104 golfers enjoyed excellent playing conditions for the popular event.

Golfers from a wide area of the province were present for the tourney at the local golf club on June 6th and 7th. Included among them were oilmen from Edson, Calgary, Edmonton and Red Deer.

Ken Gillis of Drayton Valley was the winner of the championship flight, the runner-up Terry Wilkinson of Edmonton, and consolation in the top event went to Howard Ganske. Medalist was Jim Wilson.

Winners of other flights were:

1st Flight -- Winner, N. Miller; runner-up, J. Crough; consolation, B. Rose; Medalist, was a tie between J. Wronko and K. Machan.

2nd Flight -- Winner, A. Anderson; runner-up, A. Muzylowski; Consolation, H. Janzen; and Medalist, Lloyd MacLean.

3rd Flight -- Winner, D. Watts; Runner-up, Stu Custance; Consolation, Harry Acheson; and Medalist, Tom Booker.

4th Flight -- Winner, Dennis Manning; Runner-up, Dave Young; Consolation, Hartley Kyle; Medalist, Ralph Hooke.

5th Flight -- Winner, George Cardin; Runner-up, Larry Kane; Consolation, Terry Lawrence; Medalist, John Fournier.

6th Flight -- Winner, A. John-

stone; Runner-up, Lyle McGinn; Consolation, Rod Hoflin; Medalist, Bill Desbrisay.

7th Flight -- Winner, Trev Piper; Runner-up, Stan Riauka; Consolation, Ross Lyle; Medalist, Dale Mayan.

8th Flight -- Winner, Ted Bouschard; Runner-up, H. Cathrea; Consolation, Bob Kinzer; Medalist, S. Kondratyuk.

9th Flight -- Winner, R. Raugust; Runner-up, John Moody; Consolation, John Matt; Medalist, Fred Pearson.

10th Flight -- Winner, H. Hanlon; Runner-up, B. Kropp; Consolation, M. Vandergrift; Medalist, D. Frame.

11th Flight -- Winner, Earl Martin; Runner-up, J. Cawthorne; Consolation, M. Halushka; Medalist, Bud Boyd.

12th Flight -- Winner, B. Kelly; Runner-up, Fred Bourland; Consolation, B. Halderson; Medalist, Bob McLeod.

On Saturday evening, a barbeque staged by Pembina Pipeline Limited was thoroughly enjoyed, as was the dance that followed. Members of the Edmonton Pipe Band entertained during supper.

Summary Regular Meeting Parkland County Council

Minutes of meeting of the Council of the County of Parkland No. 31 held in the County Office at Stony Plain, Alberta on Monday, June 1st.

Members present were Reeve Leslie N. Miller, Deputy-Reeve Rudolph Zander, Councillors, Robert A. Bailey, Peter Bakker, Roy Lent, George Mann and Ivan Vowk.

Mr. D. Tyschenko of Highvale was present at the meeting and requested improvements to the road west of the NW 31-51-3-5. Councillor Lent reported that he has arranged to have some improvements made to this road when machinery is in the area this summer.

Request for cemetery maintenance assistance was received from Brightwood Cemetery Association. It was agreed to give special consideration to this request and pay the sum of \$300 towards maintenance of the cemetery. It is not regular Council policy to pay towards maintenance of private cemeteries.

Request for payment for installing a culvert south of the SW 4-52-5-5 and extinguishing fire on the SE 4-52-5-5 was received from Mr. Carl Androschuk of Horen. It was agreed to pay the sum of \$20 for installing the culvert. The request for payment to extinguish the fire and remove brush from the fence was held in abeyance for further investigation.

Request for consent to annex Pt. NW 8-49-7-5 was received from the Town of Drayton Valley. It was agreed to not object to the proposed annexation.

TENDERS FOR FUEL

It was moved that tenders be called for the supply of the

County fuel requirements for a period of one year.

An amendment to the motion was moved to tender for the supply of County fuel requirements for the period July 1, 1970 to December 31, 1971. The motion carried as amended.

Letters dated May 18, 1970 from the Tomahawk and District Club were presented to the Council, requesting the following:

1. That the baseball diamonds at the Tomahawk School be levelled off.
2. Completion of the skating rink facility.
3. Payment of fees for surveying the parcel of land on which the skating rink and change house are situated.

It was agreed to refer these requests to Councillor Zander to obtain more information.

Request to purchase a portion of road allowance between the

NE 8 & NW 9-52-25-4 was received from Mr. D.L. Pinckston of R.R. 5, Edmonton. It was agreed to not sell this portion of road allowance but consider leasing it.

REQUISITIONS

The requisition of the Stony Plain Municipal Hospital for the amount of \$51,042.76 was accepted.

The requisition of the Edmonton Separate School District for the amount of \$370 was accepted.

The requisition of the Edmonton Public School District for the amount of \$5,009.00 was accepted.

The Estimates of Revenue and Expenditure for the year 1970 were approved on motion of Councillor Zander.

A By-law authorizing the levying of the various Mill Rates on the assessment as required in the estimates of revenue and expen-

diture received first reading on motion of Councillor Mann, second reading on motion of Councillor Zander, third reading on motion of Councillor Lent and finally passed by unanimous consent of the Councillors present.

It was agreed to proceed to establish a garbage disposal ground on the NW 3-50-8-5.

Request for cancellation of the road in Block B, Plan 3589M.C. in the SE 12-53-26-4 was received from Mr. Reginald Hillgardner of R.R. 5, Edmonton. It was agreed that this road be cancelled under the provisions of Section 175 of the Municipal Government Act.

Accumulation of overtime hours by public works employees and days off for hours accumulated was tabled until the next meeting.

It was agreed that the temporary revised County maps be sold at \$2.00 each.

POLICY GOVERNING ANNUAL VACATIONS

It was agreed that all County employees be authorized to take two weeks annual vacation for the first five years of employ-

ment and three weeks annually after five years of employment.

It was agreed to delegate Councillor Miller to negotiate with the Council of the Village of Spruce Grove to share the costs of employing a caretaker for the Spruce Grove nuisance ground on the SE 34-52-27-4.

The report of the meeting of the Shop Committee held in the morning of June 1, 1970 was accepted.

It was agreed that Councillor Vowk be delegated to investigate places in Drayton Valley to obtain accommodation for employees working in that area.

It was agreed that employees working in an administrative capacity be paid the sum of \$10 per day for board and lodging when they are working in an area of the County from which it is not economical for them to return to their place of residence each day.

It was agreed that a speed limit of 40 m.p.h. be imposed on the Carvel road from its junction with Highways 16 and 43, south to the south-east corner of section 16-52-2-5.

WABAMUN NEWS

Mr. and Mrs. Ken Wickman are the proud parents of a fine baby boy, who is called David Colin. He was born on April 23rd weighing 6 lbs. 13 ozs.

Mr. and Mrs. Lorne Anderson celebrated their 4th wedding anniversary on May 28th. We send them our congratulations.

Master Stephen Ward celebrated his 9th birthday last Friday by taking some of his friends and going to Popcorn Playhouse for their program, and then the next day being Saturday he had 20 of his school class boys and girls to a wonderful party with all the trimmings that children like.

Mr. Con Walker of Leduc visited with Mr. and Mrs. D.M. Roberts on June 1st.

Mr. and Mrs. C. Lobb and Edward Giffen all of Red Deer were in Wabamun last week renewing old acquaintances.

Mr. and Mrs. D.M. Roberts spent a few days in Edmonton visiting with their daughter and son-in-law Mr. and Mrs. D. McCullough, while in the city they visited the Areme Chapter #11 of the Eastern Star, who was honoring the Past Patrons and Past Matrons. They certainly did enjoy the meeting very much and the social evening afterwards with all their friends.

Everyone is invited to a shower at the home of Mrs. Pat Shepel on June 12th at 8 p.m. in honor of Miss Carol Specht who is getting married on June 20th.

Mr. and Mrs. Ray Hyland have a fine baby girl born May 27th, she weighed 7 lbs. 5 ozs. and her name is Dawna Raylene. Congratulations Donna and Ray.

Miss Edna Lawton of Ladner, B.C. is visiting with Mr. and Mrs. D.M. Roberts before going to Edmonton, Lacombe, Red Deer and Calgary.

EVERGREEN RODEO

JUNE 13 - 14

Consider the carrot!

Basically the carrot is a simple, natural product. You can enjoy it raw and crisp. Or consider variations like the "carrot cocktail" of health-food fame . . . or tender young carrots smothered in butter and served with gourmet food. Yes, there's more to the carrot than meets the eye. Just consider the process behind the carrot on your plate — the costs of farm machinery, fertilizer, marketing and distribution. Electricity is a "natural" product too. But bringing its convenience home to you involves construction, maintenance, sophisticated planning and engineering. While the overall cost of living has increased dramatically, the price of electricity is still one of today's best bargains. And finding a bargain these days is pretty difficult! So — when you consider inflation — think about the carrot on your plate — and in the field . . . and about electricity, another "natural" that goes through many stages before it gets to you!

CALGARY
POWER

Carrot Cocktail

Prepare equal quantities of Carrots, Tomatoes, Celery.

Blend in juicer to liquid form. Chill. Add salt and pepper to taste.

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending June 6, 1970 provided by the Livestock Division, Canada Department of Agriculture.

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This week (est.)	5050	4400	650	3100	56
Last week	5924	5334	590	1547	72
Same week (1969)	7220	6215	1005	3385	44

SUMMARY

Receipts were lower under record high temperatures topping 92 degrees. Sales were mostly fleshy replacements with increased offerings of slaughter classes, particularly light weight butcher heifers. Steers and heifers were 1.25 lower for the week. Butcher cows uneven to 1.00 lower. Bulls 2.00 lower. Veal about steady. Heavier fleshy replacements were 1.00 to 3.00 lower. Lighter and green replacements were about steady.

SLAUGHTER CATTLE & CALVES

The slaughter cattle trade opened under some pressure as buyers contemplated the effects of the freeing of the Canadian dollar. By Tuesday prices were sharply lower on slaughter steers, heifers and bulls. Choice steers were selling mostly in the 30 to 30.50 range with the odd sale to 30.60. Choice heavier weights of butcher heifers were rather scarce with a few sales over 28 early in the week, in closing sales 27.50 was about tops. An over supply of lighter weight (650 to 750 lbs.) butcher heifers were selling slow from 26.50 to 27.00 for good to choice kinds. All grades of cows opened 50 easier with the odd sale to 23.00 for good dry feds. At mid-week cows were uneven to 1.00 lower but recovered some loss as the week closed with a few sales to 22.50. Bulls were off 2.00 for the week, odd sale to 26.10.

The Homemaker

Mrs. Sheila Brown

LOSING TO WIN

Now that holidays and swimsuit season are near at hand the problem of creeping poundage seems more evident. Creeping poundage is difficult to escape in present day living. All around us are exciting, tasty foods and we have the money to afford them.

Overweight is not a problem in parts of the world where food choices are very limited. With out unlimited choice, one's appetite is always being excited by the sight of so many exciting foods in magazines, on T.V. and in super-markets. Our appetites race ahead of our ability to withstand the temptation. How many times have we heard ourselves say "I really shouldn't but ---?"

Did you know---? For a man of 45, an increase of 25 lbs. above his normal weight reduces his life expectancy by 25%. He dies at 60 rather than 80.

Fad diets are false and misleading. Weight loss is fluid loss NOT fat loss. Once normal eating resumes, fluid balance is restored and weight increases.

It is an outdated notion that a diet is synonymous with "rabbit-food". Actually, we can eat many of the foods we're accustomed to eating, but, in smaller proportions and perhaps prepared differently.

The usual reason for gaining weight is that the food we eat contains more calories than our bodies use up in energy and the excess is stored as fat. The cure is simple - eat less - do more. Let's not forget the importance of exercise. Two good exercises are: 1) Shake your head at the second helping. 2) Push yourself away from the table.

For that extra ounce of motivation contact my office for the following bulletins on weight control: "What to Eat to be Healthy"; "Four Steps to Weight Control".

See you next week when we continue our discussion on dieting and talk about the misunderstood potato.

Veal and butcher calves were about steady.

REPLACEMENT CATTLE & CALVES

Replacement trade was generally active throughout the week on good green lighter weights.

Heavier fleshy steers and heifers were under pressure with good feeder steers 800 to 900 lbs. selling 1.00 to 2.00 lower. Fleshy feeder heifers 650 lbs. and up were 2.00 to 3.00 lower. Stock calf prices were generally steady with the odd light weight over quotations.

SHIPMENTS

Out of Province shipments last week from the Edmonton Public Stockyards: East 34 slaughter and 40 feeders; to B.C. 440 for slaughter. Feeders to Southern Alberta areas 1380. Export 28.

CLOSING QUOTATIONS

SLAUGHTER CATTLE

Steers: Choice 29.75 to 30.50, good 29 to 29.75, medium 27 to 28. Heifers: Choice 27 to 27.50, good 26.50 to 27, medium 25.50 to 26.50. Cows: Good 21.50 to 22, sales to 22.50, medium 20 to 21. Canners and cutters 17 to 19. Shells 15 to 17. Good bulls 25 to 26.

REPLACEMENT CATTLE & CALVES

Good feeder steers (750 lbs. &

under) 33 to 37, (750 lbs. & up) 29 to 32, common to medium 26 to 32. Good feeder heifers 27 to 32, common to medium 23 to 26. Stock cows 18 to 23. Good stock steer calves 37 to 45, according to weight, common to medium 32 to 36. Good stock heifer calves 34 to 38, common to medium 30 to 33.

SLAUGHTER CALVES

Good to choice veal (350 lbs. & under) 45 to 52. Good to choice butcher calves (350 to 450 lbs.) 33 to 42, (450 lbs. & up) 27 to 32.

HOGS

E.S.Y. butcher hogs sold at 28.55-28.65 & 29.25 base price Monday, Tuesday 28.50, Wednesday 29.00, Thursday 30.05. Sows 22.10 dressed weight. Good boars 1.00 lower at 15.00 per cwt. Boars under 300 lbs. discounted. 1040 feeder hogs sold Tuesday and Thursday afternoon ranging from 34.00 per cwt. for 90 lb. feeders down to 23.50 for heavier kinds. Weaners and light feeders sold by the head from 10.75 to 26.50 each.

MOON LAKE NEWS

Diane and Raymond Tufty motored to Drumheller this past weekend to attend a family reunion of Diane's family.

The Moon Lake Ladies Club served the wedding supper of Linda (Starling) Church and Brian Church in the Entwistle Community Hall on Saturday, June 6th.

Gordon and Phyllis Carnegie and family, Mrs. Jean Smith and Mrs. Florence McLean attended a family reunion in Edmonton on Sunday, June 7th of the Carnegie clan.

Anne and Les Cherrington and family of Calgary were up for the weekend to attend the wedding of Linda and Brian Church. Linda is a niece of Les's.

Blanche and Leo Jensen were to Hinton for the Provincial Elks Convention. They report an enjoyable weekend.

1970 Graduating Class at Seba Beach High School

Graduation Ceremonies Held at Seba High

Amid ultra-modern decorations the 23 1970 Seba Beach graduates were honored with the colorful, traditional ceremonies of graduations. Elegance and grace characterized the entire evening.

Both traditional and original gown styles in vivid, classical tints were highlighted against the subdued suits of the gentlemen.

The master of ceremonies was Mr. J. Waddell, vice-principal of Seba Beach High School. The banquet began with the Toast to the Queen and Grace, given by Shannon Campbell.

After a well-prepared and thoroughly enjoyable meal, the remainder of the exercises took place. Head table guests were introduced by Mr. W.J. Anderson, principal. These included Mr. D. Stewart, guest speaker, with his wife, Mrs. Stewart; Mr. G. Mann, County Councillor, with his wife, Mrs. Mann; Mrs. E. Ferrier, school secretary; guest Miss Barbara Holt; and

staff members, Mr. E. Mackie, Mr. and Mrs. K. Thiessen, Mr. J. Waddell, Mrs. W.J. Anderson and Mr. H. Anderson.

Following, Mr. Anderson gave a personal introduction of each graduand. In his Toast to the Graduands, Mr. Thiessen sketched the past twelve years of school life of the grads.

In reply, Ben Myckan mentioned the influence of teachers, school, and home on the students.

Jim Galpin expressed the appreciation of the graduands to their parents for all the unwavering help throughout the years, in the Toast to the Parents. Mr. Gylander replied.

Cecile Fontaine expressed the view that the school plays a large part in the molding of the person, be it good or bad.

In reply to the Toast to the School, Mr. Mackie elaborated on Cecile's comments, tinting them with a teacher's point of view.

Gary Gylander, valedictorian, summed up the hopes and fear, the happiness and the regret of school life. He mentioned the value of the general curriculum, and ably revealed the trepidation with which the graduands face the future, leaving behind all they have become accustomed to.

Mr. D. Stewart, as guest speaker, expounded on the possibilities of the future.

In conclusion, Doris Struck presented a very appropriate speech of appreciation for the work of Grade 11 in decorating, and preparation, for Mr. Stewart's speech, and for the effort that all concerned put into the graduation.

The graduation dance was very well attended. An appreciative crowd enjoyed the "Age of Aquarius" theme, and the music of the "Skylarks". It was begun at 9:00 p.m. with the Graduate's Waltz which the

graduands participated in with their parents. At 10:30 p.m., the graduands were introduced to the gathering by Mr. J. Waddell and were presented with scrolls by Mr. C. May. The second Graduate's Waltz was then danced by graduands and escorts.

Midnight lunch was served. In the early hours of the morning, the dance drew to a close to the strains of "Home, Sweet Home" and "God Save the Queen".

It was an evening which will be long remembered by all participants as a fitting finale to school years and the commencement of a new way of life.

Those graduating were Shannon Campbell, Cecile Fontaine, James Galpin, Frank Gilbert, Gary Gylander, Charles Jabs, Sandra Johnson, Jo Ann Larmour, Judy Larmour, Penny McCullough, Terry Medd, Ben Myckan, Eric Onyschuk, Gerry Onyschuk, Pat Orchison, Rita Peskunowicz, Gloria Prokopuk, Leslie Regula, Doris Struck, Laurie Taschuk, Larry Troudt, Margaret Ulvestad and Judy Walaschuk.

Here's a summer fishing tip. Never overload a boat, and always carry a lifejacket for each member on board.

Unique Meeting of Students and Trustees

A very successful event occurred at Camp He Ho Ha on Lake Isle on Friday, May 15th. This was a most appropriate setting for what to the best of our knowledge may have been a first for Alberta or even for Western Canada. At this event representatives from the students unions of each of the high schools and school committee members from the County of Parkland enjoyed a very worthwhile evening communicating with each other. This event culminated a series of meetings with each of the students unions held earlier in the year.

The event consisted of a very delicious supper, hosted by the School Committee, and followed by a group discussion in the lounge overlooking the lake. Mr. R.B. Bailey, chairman of the School Committee, acted as chairman for the evening. He did a fine job of keeping the whole event as informal as possible. Since there were some 27 students, including the student union president, staff representatives from two of the schools and seven trustees, there was a deliberate attempt on the part of the chairman to "mix-up" the groups for the evening.

It should be noted that prior to this "event" the school committee members along with the central office administration had met with each of the students' unions at their respective schools. At these meetings a number of previously solicited requests were heard. Good rapport was established and productive dialogue was initiated. Subsequent to these meetings a sub-committee of trustees was established to make recommendations to the School

Second Section

THE WESTERN REVIEW

Drayton Valley, Alberta
June 10th, 1970

Committee. These meetings "broke the ice", so to speak, and good relations were set up.

After appropriate introductions and greetings from the central office administration, Mr. George Mann, councillor from Seba Beach, gave the following report on the students request. This report had been adopted by the School Committee at the April 23rd meeting.

"The Committee, Chaired by Mr. Henry Toews and consisting of Mrs. A.C. Kritzing, Mr. George Mann, Mr. Ivan Vowk and A.W. Boychuk, reviewed the requests presented by the Councils of the High Schools Students' Unions and wishes to recommend the following changes in allowances to become effective September 1, 1970.

1. Transportation Allowances
(a) High Schools - for sports trips basic for each high school, \$500. A further per pupil allowance as follows: Stony Plain \$1.50 per pupil; Seba Beach \$1.75 per pupil; Drayton Valley \$2.00 per pupil. The above differential is

(Cont. on Page 10)

Exhibition Fastball

In an exhibition fast ball game last Wednesday evening Glen Nash pitched the Pembina Pipeline team to an 11 - 3 victory over Calgary Power. Stan Elchuck was on the mound in a losing cause for the power company team.

The teams are scheduled to meet again at 7:00 p.m. Wednesday, June 10th at the Junior High School grounds.

No men's league has been organized this year and both teams will be playing exhibition games only. Teams wishing games are asked to contact Larry Varty for Pembina Pipeline or the Calgary Power office for games with that team.

COUNTY OF PARKLAND No. 31 HEAVY DUTY MECHANIC

Written applications will be received by the undersigned up to 5:00 p.m. on Friday, June 19, 1970 for the position of Heavy Duty Mechanic.

Applicants should possess a good knowledge of heavy equipment maintenance and repair and hold a valid Heavy Duty Mechanic's Certificate.

Please submit all pertinent information such as age, marital status, salary expected, etc.

Application forms and further information may be obtained from the undersigned.

O. W. Schuster,
Secretary-Treasurer,
County of Parkland No. 31
Stony Plain, Alberta.

THE TOWN OF DRAYTON VALLEY EMERGENCY NOTICE LAWN WATERING

Your Waterworks Department earnestly solicits your co-operation in bringing about a balance between supply and demand by curtailing the use of water. They are asking that a rationing system be put into effect which will bring about this balance and at the same time provide everyone with an equitable amount of water. This rationing system is as follows:

MONDAYS, WEDNESDAYS & FRIDAYS	- North side of 50th Avenue WATER between 7:00 p.m. & 9:00 p.m. ONLY
TUESDAYS, THURSDAYS & SATURDAYS	- South side of 50th Avenue WATER between 7:00 p.m. & 9:00 p.m. ONLY
SUNDAYS	- All Householders WATER between 7:00 p.m. & 9:00 p.m. ONLY

JUNE 3, 1970

T. W. D. JOHNSON,
Mayor.

Affect on Agriculture of Freeing Canadian Dollar

Freeing the Canadian dollar to find its own level on the international money market is expected to have an adverse effect upon the price of agricultural products produced for export.

David Walker, marketing specialist with the Alberta Agricultural Economics Division, feels that the decision to float the Canadian dollar, and its subsequent upward valuation relative to the U.S. dollar, is a healthy sign for the country as a whole; but that it is likely to lead to lower prices for agricultural products produced for the export market. On the other

hand, farm commodities produced entirely for the domestic market will not be affected.

It may be several months, says Mr. Walker, before we know at what level the Canadian dollar will stabilize. It increased in value by about four per cent, relative to the U.S. dollar the day after it was freed. The general consensus of opinion seems to be that it will settle at about five per cent above its old level and will be pegged there.

Mr. Walker points out that if it is pegged at five per cent above its previous level, buyers

of Canadian exports will then get only a two per cent instead of a seven per cent premium on their U.S. dollars. Consequently for our exports to remain competitive, prices will have to be reduced by about five per cent in terms of Canadian dollars relative to what they would have been if revaluation had not taken place.

As we are currently exporting wheat, barley, oats, flaxseed and hogs, we have seen, or can expect very soon to see, a drop in the price of these commodities. As soon as the Canadian dollar was revalued the Canadian Wheat Board immediately reduced its quotations for wheat by six cents a bushel which works out to about four per cent. This four per cent reduction in wheat prices, says Mr. Walker, possibly reflects acceptance of the recommendation made in the Federal Task Force Report on Agricultural and the Wheat Board should be flexible in its pricing, and keep Canadian wheat competitive on world markets. He also says that the lower wheat prices are not likely to affect farm income this year because the pools out of which the Board is now selling appear to be close to, if not already in, deficit. The federal government will, therefore, match the difference. However, feed grain prices will probably be reduced both to compete with U.S. corn in On-

tario and to remain competitive on world markets. In the case of rapeseed, since most of the old crop has been sold, farmers will probably not feel the effect of revaluation of the Canadian dollar in this market. By the time the new crop is harvested, other price-determining factors will probably hide the effect of revaluation.

It is more difficult to be precise in the area of livestock, says Mr. Walker. Direct transshipment of beef makes an analysis of the cattle market difficult. We are probably somewhere between an import and export position with the U.S., and we may not see any change in the near future in fed cattle prices which have been stable for several

months now. However, in the long run revaluation will have a negative influence on the cattle market, lowering the price levels at which we go on to either an import or export market. With hogs we are mainly on an export basis, and revaluation can be expected to add to the downward pressures on prices that we are currently experiencing.

On the other side of the coin, explains Mr. Walker, such imported farm supplies as machinery should, in theory, eventually become cheaper. However, it may be sometime before lower input prices reach the farm level. Even then they may be reflected only by "reduced increases" in such things as farm machinery prices.

Students-Trustees Meet

(Cont. from Page 9)

to compensate for the distance factor involved.

(b) Junior High Schools - for Inter-County Sports. A basic allowance of \$50 per school plus 50¢ per pupil enrolled in Grades 7 to 9 inclusive. In the event that this allowance for Junior High School is not spent on transportation the money may be spent on an approved Phys. Ed. program (e.g. swimming, curling) or on physical education equipment.

(c) Educational Trips - To be authorized through the office of the Superintendent of Schools and not to be charged against the school concerned.

It is understood that the new allowances are to replace, in total, the old allowances for

special trips and physical education programs. It is recommended that the above allowances be calculated on the September enrolments and be given to the Schools in 2 equal annual payments, one in September and one in January. However, at the end of each school year, the schools would be required to submit an accounting showing how the funds were spent.

2. The Committee recommends no change in the present policy with regards to smoking.

3. The Committee further recommends that a joint banquet be held with the Councils of the 3 Students' Unions sometime in late May or early June. It was suggested that it might be desirable to hold this on a Saturday and probably at the Lake Isle Children's Camp if satisfactory arrangements could be made.

During the informal discussion in the lounge a number of interesting points were raised. For example, it was decided to have the presidents of the student unions meet to set up a workshop for the three schools. At this workshop such things as the constitution and bylaws of the students unions as well as common problems could be discussed. Also, there was considerable discussion concerning further meetings with the School Committee. What forms these should take? How many? When?

In summary, there was a general feeling that the time was well spent and worthwhile. We are all looking forward to future discussions and meetings. Whether this event was a first for Alberta or Western Canada it is not of most importance. What is important is that it illustrates what can be done if a determined effort is made by trustees and students to listen and discuss mutual concerns and problems. As the Chinese proverb said, "Have no fear of going slow only fear standing still". Since we are not standing still we have no fear!

KEEPPHILLS NEWS

Laura Bacon went to Calgary for 10 days to visit her sister Linda Walker who has a brand new baby boy born May 27th.

Mr. Bill Vanderwell was the winner of the gift from community store last weekend.

A shower for Betty Porter, bride-to-be, was held at the Keepphills hall on Saturday night. A good crowd gathered and Betty received many lovely gifts.

Mabel Bryant has been on the sick list. Mrs. Schwietzer has been staying with her part time.

Mr. and Mrs. Dalton returned from a three week holiday at Lloydminster recently.

Mr. and Mrs. Wesly Sims and four children have moved into our area and one of the children will be going to school here in September.

Mr. and Mrs. Gordon Raymond plan to move into their new mobile home soon, which is located near their previous home in the Hamlet.

LODGEPOLE NEWS

Due to extreme fire hazard, the Forestry Service warns that no fires are to be started outside of approved camp sites without permits.

Several good catches of Dolly Varden trout at the Brazeau Dam have brightened the fisherman's hopes.

Get well wishes are extended to Mrs. Tuks who is undergoing treatment at the Mischordia Hospital in Edmonton.

Mr. Walter Everett has returned from Bredenbury, Saskatchewan to spend the summer with the G. Pederson family.

Eighteen ladies attended a bridal shower for Miss Trudy Lindberg and Mr. Terry Malenchuk whose wedding will take place on July 4th in St. Paul, Alberta.

BIG WESTERN DANCE

FRIDAY & SATURDAY EVENINGS

9:30 P.M. AT CIVIC CENTRE FEATURING BEV. MUNRO

Awards night activities at Frank Maddock High School are shown in the photo above.

Students Honored at F.M.H.S. Awards Night

On Wednesday, June 3rd, Frank Maddock High School honored students for achievements in extra curricular and academic fields.

Mr. Orest Haydey, Vice-principal, acted as Master of Ceremonies. He introduced Mr. R.H. Woods, Principal, who extended greetings to the parents and friends. In his remarks, Mr. Woods stressed the worth of the individual.

"We are concerned with the education of man, not of robots in a computerized, state-oriented society. So long as men and women work here, this institution will prevail. Tonight we are honoring those young men and women who have proved themselves outstanding individuals."

Mr. Ron Cameron, President of the Students' Union brought greetings on behalf of the students and expressed appreciation to the staff. He said the awards were honoring those who had tried a little harder than the rest to make the school a better place to be. He pointed out that if they continued this practice throughout their lifetime, they would find the effort well worthwhile.

For those who were not receiving recognition, their satisfaction would be in knowing that they had not been stagnant but truly individual.

Awards presented were: Track and Field, Irene Gusek and Ken Dusterhoft; Girls' Volleyball, Terry Cable and Linda Frank; Senior Girls' Basketball, Terry Cable and Janine LaBranche; Junior Girls' Basketball, Sandra Romano and Kathy Barnes; Advertising, Keith Sodergren and Terry Pezzot; Students' Union, Fred Kaarsemaker, Ron Cameron and Keith Sodergren; Football, Terry Jevne, Larry Mattoon, and Don Whelen; Badminton, Pat Hoge, Linda Frank and Lee Hurlley; Cheerleading, Cindy Vowk and Pat Hoge; Senior Boys' Basketball, Ron Cameron and Keith Sodergren; Junior Boys' Basketball, Barry Swap and Jerry Mastre; Newspaper, Joe Eustace and Maxine Crorv; Curling, Joe Eustace (Skip), Nina Schurman (Third), Kathy Barnes (Second), Joanna Hansen (Lead); Boys' Volleyball, Ron Cameron; Library, Darlene Tocheniuk; Service Award, Lois Elliott and Judy Goubault; Laboratory Award Terry Pezzot; One-hundred Miles, Pat Coppens and Janet Bootsma; Academic Award, Grade X, Joanne Chenery and Manfred Baum; Academic Award, Grade XI, Janine LaBranche; Academic Award, Grade XII, Terry Pezzot; Outstanding Student, Grade X, Donna Hook; Outstanding Student Grade XI, Jill Kerr; Outstanding Student, Grade XII, Fred Kaarsemaker.

The climax of the evening was the presentation of the coveted Frank Maddock Trophy to the student with the highest academic achievement over Grade X, XI, and XII. This award was presented by Mr. Woods to Miss Terry Pezzot. Honored also at this time were Miss Pat Hoge and Mr. Ron Cameron who received the awards for the school's outstanding boy and girl. The audience enjoyed, during the evening, guest performers, Miss Carole Kruger and Mr. Edwin Eriksson. Miss Kruger, accompanied by Mrs. Braybrook on the piano, sang "It's a Most Unusual Day" and Mr. Eriksson presented an accordion solo "Hammarforsens Brus".

Music is love in search of a word. Lanier

BUCK CREEK NEWS

Mr. Krist Steffenson is a patient in the Drayton Valley Hospital receiving treatments for his back.

Mrs. Henning Halgren was the lucky bingo winner in Wetaskiwin last week when she won \$500.

The Community Club meetings have been cancelled until October.

Mr. Torras Kvía has moved back to the farm for the summer months.

Mr. and Mrs. Cotton of Rimbey and Mr. and Mrs. Bill Kerr of Leduc spent last Sunday at the Joe Safronovich home.

Last Friday saw the conclusion of a very successful month of play-school for the next term beginners.

The Cub rally held at Evansburg last Saturday was enjoyed by the Cub pack. There were approximately 400 Cubs present.

On Sunday, the Scouts enjoyed

the day at Buck Lake. They had a pot luck picnic and brought home a good catch of fish.

The Auto Club is planning a barbeque, social and dance for members and invited guests at Buck Creek Hall on June 19th.

The bingo held on Thursday evening was well attended with the jackpot still not being claimed. The next bingo will be July 2nd, at 8 p.m.

The community picnic will be held June 21st at the hall, starting at 1:30 p.m. There will be races, ball games and a pot luck supper.

SUB-MITS

FROM THE ELEMENTARY SCHOOL

Parents say, "Can I help my child be ready for school?" Yes, you can. Check the list below. Five year olds develop these abilities and each one is helpful for school beginning.

Five Year-Olds Learn To: 1. Follow simple instructions (helping mother); 2. Finish small tasks (putting away toys, etc.); 3. Sit still (for short periods only); 4. Attendance at Sunday School helps in this way; 5. Put away toys, clothes, books, etc. (use colored clothes pegs to keep rubbers or slippers together in pairs); 6. Eat quietly in one place without scattering food in all directions. When a meal is finished, a child politely asks to be excused from the table; 7. Speak clearly (not baby talk) using simple sentences; 8. Say "Please, Thank You, and Excuse Me"; 9. Use a handkerchief properly; 10. Wash and dry face and hands alone; 11. Attend to toilet necessities quietly and unassisted; 12. Put on and remove coats, hats, mittens, playsuits, rubbers; 13. Know his full name, address and telephone number, also his parents name; 14. Know how to take his turn and to allow others to take theirs when playing games; 15. Count objects to ten; 16. Color pictures with wax crayons, keeping within certain lines; 17. Cut out pictures and to paste cut-outs in a scrapbook; 18. Recognize his own printed name; 19. Listen quietly to stories; 20. Listen to a very short story and tell what happened in it; 21. Say some nursery rhymes; 22. Look at a picture and name things in it; 23. Recognize a few colors; 24. Let others speak without interrupting; 25. To obey -- If your child at six has developed these five-year-old abilities, he will likely adjust himself quickly to school and will probably make satisfactory progress; 26. Prepare your child for reading but do not attempt to teach him to read. There are many ways in which you can help your child prepare for reading. Here are some suggestions: (a) Be patient with your child's questions. Your answers are important to his progress. (b) Encourage your child to listen to stories and enjoy them. Provide picture books and read suitable stories to him. Let him look at books and turn the pages himself. (c) Give your child a wealth of experience, through trips to the store, to the

TOMAHAWK NEWS

Tragedy struck the joint school track and field meet held at Seba Beach on June 5th when Mike Hadzarika did the dive over the high jump and landed on his neck breaking a bone in his neck and throwing it out of joint. Mike is in the Royal Alex Hospital in Edmonton. Get well wishes Mike from all the people at Tomahawk and especially the Bantam baseball team who miss you terribly. Mike is short stop in the team and clean up batter.

The Royal Alex Hospital also has four other Tomahawk residents, Sigfreid Runzer, Janiena Crawford, Ed Simon and Robert Pezzot.

Shortie Case was taken to General Hospital in Edmonton Saturday night by ambulance and had an emergency operation. A speedy recovery to all these people.

The Tomahawk and District Club is sponsoring a camper trailer raffle with the draw to be held August 9th after a ball tournament. All proceeds are to sponsor sports. Tickets are \$1 each or 6 for \$5. Buy a ticket and help support Tomahawk's ball teams. The teams are all in full swing winning some and losing some.

There will be a July 1st picnic and parade in Tomahawk. Get your entry in for the parade and share in the prize money. Come out and enjoy yourself July 1st.

Prudence is the knowledge of things to be sought, and those to be shunned. --Cicero

Announce Prizes For Parade Entries

The annual rodeo parade will be held on Saturday, June 13th, starting at 10:15 a.m. The route

city, etc. His vocabulary will grow this way and may be stimulated further through discussion.

After forgetting their library books for a few weeks, some children were asked where they found their books. Here are a few of the answers.

1. "In my sister's drawer; there was a kitten there too!"
2. In a nonchalant manner one answered, "Under my dog's dish"
3. "Well, you see, I have this bag in my closet and finally I decided to look there and there was my book"
4. "You see, my sister has this cupboard and I'm not allowed in there, so I waited until she was asleep and then looked in her cupboard and sure enough that's where my book was."

will be as follows:

Line up on 43rd Street south of 50th Avenue, facing south. The first float at the corner of 43rd Street and 47th Avenue.

Upon commencement the parade will go along 47th Avenue, north on 47th Street, past the hospital, west on 50th Avenue, north on 50th Street, west on 52nd Avenue, South on 51st Street, west on 51st Avenue to 53rd Street, where it will disperse.

Awards will be made for the following: Best entry on (1) Commercial, (2) Industrial, (3) Equestrian, (4) Novelty and (5) Agriculture and also to the most original of the children on bicycles.

All children under the age of 12 years are asked to participate by decorating their bicycles and at the end of the parade they must assemble in the arena parking lot.

Female Help Wanted

EXPERIENCED FEMALE COOKS required to work morning or night shifts.

WAITRESSES and KITCHEN HELP required. Experience an asset but not necessary. Work to start between June 15th and July 1st.

Reply in your own handwriting, a complete resume of marital status, age, experience, past or present employer, phone number and present address.

DATSUN 1600 PICKUP

the most misunderstood truck in the country

We built the Datsun 1600 pickup to be a tough, rugged, no-nonsense, hard-working tool. Fine. A lot of people bought it for just that. But a lot of other people bought it and they don't use it for work. They use it for play.

We put a sturdy 96 horse engine in it because a working truck needs lots of power. We designed it to haul a ton, because a working truck should be able to handle heavy loads. It gets up to 30 miles

to the gallon, because a working truck should be economical to operate. And it handles like a nifty little car because there's no reason why a truck that wears like a tank should handle like a tank. We built North America's number-one selling imported truck to work for its living - and they're out there living a life of pleasure.

Where did we go wrong?

ALDER FLATS NEWS

Sunday, May 24th visitors at Mrs. Velma Hansen's home were her mother Mrs. Gertrude Norstrom, Mr. and Mrs. Gene Norstrom and family, Mrs. Rita Kryger and family and Mr. and Mrs. J. Rawji and son, all of Bluffton. The Rawji family are originally from East Africa and have spent the past two years teaching school at Bluffton. While here they toured the village and Mr. Pearson showed them through the school which they enjoyed and thought was well kept.

Sandra Ring expects to be released from the hospital this week and will spend a few days in the city at the home of Mr. and Mrs. Gordon College (Mrs. College is a niece of Mr. Rings). Paul and Ella Simon visited Sandra in the hospital last Wednesday.

Robert Hansen and Vernon Turner are employed at Drayton Valley.

Mr. and Mrs. Gordon Shanks had her father and mother from Southern Alberta visiting with them recently.

Mr. Alex Forchuk received word that his brother George of Vegreville had suffered a heart attack and had been taken to the University Hospital. On Sunday, Mr. and Mrs. Alex Forchuk, Max, Jim and Johnny Capaniuk and Mrs. Hansen visited Mr. Forchuk in the hospital.

Jim Capaniuk and Velma Hansen visited with Mae Wachter who is also a patient there.

Mr. and Mrs. Art Melin were weekend visitors in the city and also stopped in to say hello to Mae Wachter.

Geneva Patten bused the Cubs, Leaders and Cub parents to Evansburg for the Cub and Scout Rally held there on Saturday, May 30th at the Evansburg Provincial Park. Mayerthorpe won the plaque, but Alder Flats Cubs came out the champions in the tug of war battle, even against the Scouts. There were 15 Cubs, the leaders Mr. and Mrs. Schaurite and Mrs. Doris Peterson and the parents, Mrs. Elsie Seely, Mr. Eric Wennerstrom, Mrs. Joyce Hayduk,

Mrs. Connie Maclean and Mrs. Ella Simon to attended and enjoyed the events and the trip immensely. The leaders would like to say a special thanks to the parents for coming along and assisting.

Mrs. Marj Miller is a patient in the Royal Alexandra Hospital having undergone surgery on her foot. Mr. Pearson stopped in to see Marj and Sandra Ring after taking Mrs. Pearson to the University Hospital.

Results of the Gymkhana on May 18th were as follows:

Adults Section-- Barrels: Dennis Miller, Buck Lake, 19.5; Victor Miller, Buck Lake, 19.7; Mary Lauer, Drayton Valley 20.3. Poles: Lyle Cartier, Winfield, 25.7; Don Goodkey, Winfield, 26; Dennis Miller, Buck Lake, 26.5. Stakes: Victor Miller, Buck Lake, 19.5; Mary Lauer, Drayton Valley, 19.6; 3rd, Don Goodkey, Winfield, 19.5 (tie breaker).

Junior Section -- Barrels: Randy Cartier, Winfield, 19.5; Bert Long, Winfield, 19.7; Reuben Larsen, Winfield, 20.3. Poles: Bert Long, Winfield, 25.5; Jim Lyster, Winfield, 26.1; Randy Cartier, Winfield, 26.4. Stakes: Bert Long, Winfield, 18.5; Reuben Larsen, Winfield, 20; Randy Cartier, Winfield 20.5.

Pee Wee Section -- Barrels: Carol Lyster, Winfield, 24.1; Dean Goodkey, Winfield, 26.8; Don Goodkey, Winfield, 28.4. Poles: Carol Lyster, Winfield, 29.4; Dean Goodkey, Winfield, 34.8; Don Goodkey, Winfield, 34.9. Stakes: Carol Lyster, Winfield, 22.4; Don Goodkey, Winfield, 25.2; Dean Goodkey, Winfield, 31.2.

Geneva Patten was the winner of the 103 dollar draw.

A lovely bridal shower was held for Ester Vande Voorde at the home of Mrs. Dale Sergeant on Tuesday evening, May 26th. After entertainment of fun and games, Ester was assisted by Marcella Poudrier in the opening and recording of the gifts. Twenty ladies were present to wish Ester much happiness. A bountiful

lunch was served in conclusion of the evening.

Open house and a wedding dance was held Saturday night in the Alder Flats Hall for Leon and Ester. They were married in the Catholic Church at Breton on May 29th at 2 p.m.

Mrs. Stowell, a long time resident of Alder Flats passed away on Wednesday, May 27th. The funeral will be held Monday at 2 p.m. at the Flats. Sympathy goes out to the family of the late Mrs. Stowell.

Winfield took the plaque this year for achieving the most points at the track meet held at Winfield, Friday, May 29th. Alder Flats came in second and Buck Lake third. Trophies for the ball games went to Grades 3 and 4, Buck Lake, Grades 5 and 6 Buck Lake, Grades 7 and 8 Alder Flats, Grades 9 and 10 Winfield, and Grade 10 girls Winfield.

Records broken by the Alder Flats students were: Dwayne Tugwell, javelin; Larry Scrybalo, 100 yd. dash; Wade Patten, standing broad; Brian Scauerite, running broad; Georgina Zingle, soft ball throw; and Linda Maciborsky, standing broad.

Alder Flats students receiving cups were: Robert Maciborsky, Larry Scrybalo, Wade Patten, Heather Shanks and Linda Maciborsky.

Mr. Nelson took a carload of young people to Twin Lakes Friday evening, they enjoyed an evening of fishing and fellowship.

The grades 11 and 12 students from Winfield School participated in the Track and Field Meet at Camrose Saturday, May 29th. Les Speakman took a carload of boys down. Gladys Maciborsky and Bernice Johnson motored to Camrose to watch the competitors.

Beaver Drilling Rig #2 just completed drilling a producer east and north of Buck Creek.

Born to Mr. and Mrs. Gordon Shanks on Sunday, May 31st, in the Drayton Valley Hospital, a daughter. Congratulations.

Sandra Ring was admitted to the Royal Alexandra Hospital in

Edmonton on Sunday where she will undergo surgery on her knee, her parents Mr. and Mrs. Bill Ring visited relatives in Millet enroute to the city.

Mr. and Mrs. Dale Sergeant and family were Sunday visitors at Lacombe at Jean's parent's home. Jean's dad got out of the hospital on Friday.

The Carl Jankes moved their trailer on Saturday to Bellevue, in southern Alberta.

Mrs. F. Seutter Passes Tuesday

Mrs. Fred Seutter, 58, a long time resident of the Drayton Valley area, passed away Tuesday morning, June 9th in the Drayton Valley Hospital, following a lengthy illness.

Funeral services have not yet been announced.

SEBA SCHOOL NEWS

Three of the business classes recently had the opportunity of participating in an educational field trip. Office Practice 30, Clerical Practice 20 and Book-keeping 20 visited three business centres in Edmonton. Under the guidance of Mr. May, the group travelled through the CN-CP Telecommunications complex, a branch of the Bank of Montreal and the AGT data processing centre.

In the first, they observed the handling of all forms of communications, including such diverse elements as telegrams and

data. In the bank, they were shown the handling of money in the entirety of the operation, from handling cash and cheques to safe-keeping facilities. At the AGT centre, many were intrigued with the computer controlled billing and province-wide work orders, not to mention the computer itself. Mr. May, business teacher and chaperone, deemed the effort very successful.

There will be a track meet on Friday, June 5th. Three schools, Entwistle, Tomahawk and Seba Beach are participating with Grades 1 to 9. There are to be three basic categories of events, including running, jumping and throwing. These are subdivided into specific groups, which vary with each age group.

Mrs. Thiessen's Grade 3 class went for a trip to the Alberta Game Farm on Saturday, June 6th. There were about 24 students in attendance, with two supervisors.

The Exam Time-table for Grades 10 and 11 was released on June 1st, (groan). These grades will be dismissed from school on June 22nd, (cheers), but may return on June 29th for marks (your choice).

The Industrial and International Airports are still recovering from the onslaught of 30 inquisitive minds (with appropriate attachments). The Science 11 class together with other interested participants, visited these two centres under the supervision of Mr. and Mrs. Thiessen on May 30th.

At the Industrial Airport, the group saw a filmstrip on learning to fly, followed by a discussion session. They then examined minutely a Cessna 150 aircraft.

At the International, the most interesting feature seemed to be the Meteorological Department. Here, the cloud cover over local towns was measured for depth and diameter. Weather conditions were vividly portrayed with such items as tornado-twisted tree, 1½ feet in diameter.

Judging from the Monday feed-back, the venture was successful.

Pool Splashes

The Drayton Valley Swimming Pool is open for business and since opening date, May 26th, business has been great. All attendance records have been broken during the first week of June and with favorable weather we can look forward to more of the same.

As of closing time Saturday night, June 6th, total of 9812 persons swam in the pool since opening day, May 26th. This is a record attendance for any two weeks of operation over the eight years that this swimming pool has been in existence. A record for a single week's attendance was set last week, the first week in June, with a total of 5961 over a six day period for an average of almost 1000 per day. The record for one day's attendance was set on Tuesday, June 2nd, when a fantastic total of 1,286 persons were admitted to the pool.

The pool opens daily at 9:00 a.m. for school swimming. The school program carries on throughout the day until 3:30 p.m. with students from F.M., H.S., the Junior High, and St. Anthony's taking part. This program will run through the third week in June. The program has been a great success to date and it is expected that this program will be a permanent phase of our spring swimming program in future years.

The Tiny Tot Instruction program got underway on Monday, June 8th, it will run five days per week through Friday, June 19th. The daily time for this instruction is from 12:15 p.m. to 12:45 p.m.

Regular Red Cross Swimming Instruction will get underway on July 6th at 9:00 a.m.

The County of Parkland Instruction Program will get underway the same day at 8:00 p.m. For further information in respect to any phase of the local swimming program call the swimming pool at 542-3749.

ST. ANTHONY'S SCHOOL

NOTICE

Pre-schoolers MUST attend on the afternoon of Monday, June 22; all day June 23, 24, 25, and 26.

For those children not yet registered, please register them when they arrive at school.

Part of the large number of people fed at mealtimes during the Jehovah's Witnesses Convention here last weekend, are shown in the photo above. In the background is the mobile kitchen that was pulled into the Centennial Civic Centre and served as many as 1,000 persons at each meal.

A large crowd was present for the Sunday afternoon public meeting with some some of the audience shown above.

Agricultural Board Meets

Minutes of meeting of the Agricultural Committee, County of Parkland No. 31 held at the County Office, Stony Plain, Alberta, on Thursday, May 28th.

Members present were Chairman, Mr. George Mann; Messrs. Robert Bailey, Peter Bakker, Roy Lent, Ivan Vowk, Leslie Miller, and Rudolph Zander; District Agriculturists Earl Lowe and Tom Brown; Agricultural Fieldmen W. Moelhoff and Don Woods; and Secretary Len Webber.

Committee to make recommendations as to members of Agricultural Advisory Committee. Some progress was reported.

TREE PLANTING POLICY

Agricultural Fieldman to compile recommendations as to changes that should be made in the Provincial Tree Planting Policy. No progress reported. It was moved and carried that the preceding 2 items be tabled until the next meeting.

A series of slides, compiled by the District Agriculturist, showing the work involved in growing the trees at the Nursery and the results of good and poor care in planting shelter belts was presented by Mr. Lowe.

It was moved and carried that a recommendation be presented

to the School Committee that school sites be investigated to see if trees planted during the Centennial year of 1967 can be salvaged.

The Agricultural Fieldman's report of activities since the last meeting was read and accepted. **CHEMICAL DISTRIBUTION**

The 1970 chemical retail prices and distributing points for County chemicals was discussed.

It was moved and carried that the County Solicitor draw up a contract for the handling and sale of supplies for the Agricultural Committee.

It was decided that the Agricultural Fieldman and District Agriculturist set up a schedule of rates for the rental and use of the new pesticide sprayer.

It was moved and carried that the Agricultural Fieldman's recommendation to pay week inspectors \$350 per month and .12¢ per mile for miles necessarily travelled in the course of his duties be accepted.

VETERINARY SERVICES WESTERN AREA

The Chairman read a letter from the County of Leduc stating that they are prepared to give a grant of \$500 toward establishing a veterinary doctor in the western area of the County.

It was moved and carried that a Committee consisting of the District Agriculturist, the Agricultural Fieldman and the Chairman of the Agricultural Committee explore the possibilities of establishing a veterinary doctor in the western area of the County.

Water safety tip. If you plan to go fishing by boat, always take a companion with you. Leave word where you will be going and when you plan to return.

COUNTY OF PARKLAND No. 31
STONY PLAIN, ALBERTA

HELP WANTED

The School Committee of the County of Parkland No. 31 requires a head caretaker for the new school at Spruce Grove, presently under construction. The school will consist of the equivalent of 25 classrooms, a gymnasium, administration area and other auxiliary space.

The building will contain a complex heating system and the caretaker will require a broad knowledge of modern heating systems. Duties will commence on or about July 15, 1970. The rate of pay is still under consideration but will probably range from \$425.00 to \$500.00 per month depending on qualifications and experience.

Please submit written applications to the County Office in Stony Plain not later than 10:00 a.m. on Monday, June 15, 1970 stating qualifications, experience, age, marital status and at least 2 reliable references. Application forms are available at the County Office upon request.

For further information please contact the Maintenance Supervisor, Mr. E. W. Hillyer, or the undersigned at the telephone number listed below.

A. W. BOYCHUK,
Assistant Secretary-Treasurer,
County of Parkland No. 31,
Stony Plain, Alberta.
Telephone: 777-2231

Over 1,000 Attend Weekend Convention

Every five minutes someone somewhere in the world becomes a baptized minister of Jehovah's Witnesses, and part of that numerical growth took place in Drayton Valley last weekend when 13 new members were baptized during their circuit assembly at the Centennial Civic Centre.

Over 1,000 Witnesses swarmed into Drayton Valley for three days of Bible instruction, parent and child counselling and good fellowship.

Entire families came. They brought their babes in arms, toddlers and teenagers. They came with their tents, tent trailers, campers and converted school buses. The others filled the local hotel and motels and over-flowed into many private houses.

The Witnesses are obviously 'old hat' when it comes to organizing conventions. In less than 4 hours the Centennial Civic Centre was converted into a convention centre with 21 different departments and a large cafeteria capable of feeding 600 persons an hour.

The central core of the cafeteria department was a 10'x50' mobile kitchen unit complete with commercial pressure cookers, steam kettles, ovens, grills, refrigeration and dishwashers. The unit was designed and constructed by Mr. Willard Worthington of Edmonton.

Convention delegates ate stand-up fashion from stainless steel trays. A 65¢ dinner included beef stew, boiled potato, cabbage salad, jello and choice of a drink.

Mr. Ernest Funk, district supervisor of Jehovah's Witnesses in Western Canada, spoke Sunday afternoon on the subject "Withstanding the Pressures of Our Day". His address was the highlight of the convention.

Mr. Thomas Moss, presiding minister of the Drayton Valley

Third Section

THE WESTERN REVIEW

Drayton Valley, Alberta
June 10th, 1970

congregation looked after the Rooming Department. He said that after the hotels and motels were filled many local people offered private rooms to convention delegates and some rented out their holiday trailers.

A few stalwart youths slept under the stars.

Mr. Joseph Zazula, convention manager, expressed appreciation for the fine co-operation received from the officials and residents of Drayton Valley.

AGT CONDUCTING TESTS

AGT is presently conducting tests at Hugget, 30 miles south west of Edmonton, to determine the suitability of a proposed site for an earth station to serve Canada's Telsat satellite communications system.

The proposed site is in a ravine surrounded by steep wooded hills. Here AGT has located a microwave path testing truck and a 300 foot portable tower. The tower has an antenna which can be raised or lowered to test signal strength from the ground up to the 300-foot level.

Signals are fed into the test equipment at the frequencies that will be used by the satellite and earth station. The tests show the quality of the signals, and indicate whether any appreciable interference would be encountered.

DRAW DATE, JUNE 26th

COUNTY OF PARKLAND No. 31

DRAYTON VALLEY ELEMENTARY SCHOOL PRE-SCHOOL PROGRAM FOR ALL POSSIBLE SCHOOL BEGINNERS

to be held from

June 24 to June 30, 1970

PLEASE NOTE:

All children who will be six prior to September 1, 1970, are expected to attend the program. Parents whose children will be six following September 1, 1970, and prior to February 28, 1971 may send their children if they wish him or her to attend school in September, 1970.

Parents are requested to bring their children June 24th, meet the teachers, complete the necessary registration forms if that has not been done already, and take the child home at 11:00 a.m. A birth certificate, as proof of age, must be presented on or before the first day of school in September. A certificate may be obtained by forwarding two dollars (\$2.00) to -

Bureau of Vital Statistics,
Alberta - Jasper Building,
Edmonton, Alberta.

Children who live on a bus route may come on the buses June 25, 26, 29 and 30.

Teachers in the Drayton Valley Elementary School would like students to bring the following supplies to work with:

- | | |
|----------|--------------------------|
| 1 pencil | 1 pair of blunt scissors |
| 1 eraser | 1 small box of crayons |

For more information, call your school principal at 542-3544.

R. J. ELLIOTT,
Principal.

(Cont. on Page 20)

PARKCOURT NEWS

Belated congratulations to Mr. and Mrs. Mike Markovitz on the arrival of their fine baby son.

With the continuation of the hot dry weather, farmers are winding up their spring work and now most people are looking for a good rain. A crowd of neighbors held a bee for Mr. Albert Tuftin and got his crop seeded for him. Nice to see you home from the hospital Albert.

Mr. Don Fausak spent the weekend in Jasper.

A joint meeting of the F.C.C. and Gay Gatherers took place in the hall on Wednesday night. Final plans for the Farmer's Day celebrations were made. A hot chicken dinner will be sold at noon. It was also decided to hold a work bee the following Wednesday night and prepare the grounds for the day, clean up the trees, set up swings etc. A pot luck lunch was enjoyed at the close of the meeting.

Mr. Bill Brett, Mr. Mike Hotra and Mr. Kurt Fausak motored to Westlock Tuesday night for a supper meeting of the U.G.G. Quite a large number of preschoolers from the district took their first plunge into school life when they went to school for three days this week. We hope they all had a happy experience.

MARKET REPORT

Sekura Auctions Market Report for Wednesday, June 3rd, 1970.

With a moderate run of livestock on offer prices were steady. Good stock steer calves 38.00 to 42.00 per cwt., light ones to 54.00 per cwt.

Good heifer calves 30.00 to 35.00 per cwt., light ones to 42.00 per cwt.

Good yearling steers 33.00 to 39.00 per cwt.

Good yearling heifers 27.00 to 33.00 per cwt.

Stock cows with calves at foot traded around the \$300 mark selling to a high of \$355 per set.

Good baby calves sold from \$75.00 to \$84.00 per head.

Weaner hogs sold from \$12.00 to \$17.25 per head.

Feeder hogs sold from \$25.00 to \$31.50 per head.

The Thinking Man's Game

It's been said that a good fisherman is almost a genius. Somehow he solves all the problems and catches fish when no one else does.

Consider the variables connected with fishing. They include water temperature, depth and clarity, vegetative growth, underwater terrain, the lure, the fish itself, and many other factors which must be taken into account.

It really doesn't take a genius to understand these things and apply them successfully. Almost any angler can learn how, according to Red Fisher, the fishing expert at Mercury outboards. The solution lies in developing a fishing system.

First you must experiment. Call upon all your experience to determine where you think the fish are and what lure they'll take. If your first guess isn't correct, change both the lure and the method of presentation. Don't try any one method too long.

When you get a strike, stop fishing and analyze each step of the successful cast and retrieve. Where was the lure? On top, bottom or in between? Was the retrieve slow, medium or fast? Did the strike occur in shade or sun? How far was the lure from the boat when the fish hit? What does the bottom of the lake look like?

When you've answered these questions, and any others you can think of, you're ready to make another cast — exactly like the one which earned you the strike.

Fashion Show Feature Of Oil Wives Meeting

The June meeting of the Drayton Valley Oil Wives was held June 8th with 82 members and 13 guests present. Special guests were Annamarie Nickel and Gloria Feniak.

The meeting was chaired by President Betty McGee. The old executive gave year-end reports. Sharon Putnam was elected as Membership Chairman as Sandi Allen has been transferred. The old executive received 1969-70 executive pins from Betty McGee. Donna Gawalko presented Betty's pin to her along with the past president's pin.

Five year pins were received by Jackie Makarowski, Lil Moody, Pat Whiting, Joan Erickson, Lorna Farkas, Joyce Hayduk, Mary Kublick, Marilyn MacLean, Jeanette Miner, Maxine Meaver and Jeanette Vatter. Ten year pins were presented to Gladys Schultz, Faye Shearer, Lil Moody and Donna Goble. Betty McGee then presented the gavel to Donna Gawalko for the coming year.

A spring fashion show from Mar Nel's completed the evening. Models were Glenda Matlock,

Ann Beattie, Lorraine Custance, Diane Dmytryshyn, Judy Halko, Myma Boscher, Gayle MacPherson, Brenda Kropp, Jackie Makarowski, Peggy Metcalf, and Mary Ilbotson. The commentator was Fran Girard. This show was enjoyed immensely by all.

The raffle, a \$5 voucher from Mar Nel's was won by Elsbeth Hagman.

Chamber Names New Officers

At the regular meeting of the Drayton Valley and District Chamber of Commerce held last Thursday, Mr. Bob Gordon was named president to replace Mr. Bob Cowan, who has found it necessary to resign due to pressure of other commitments.

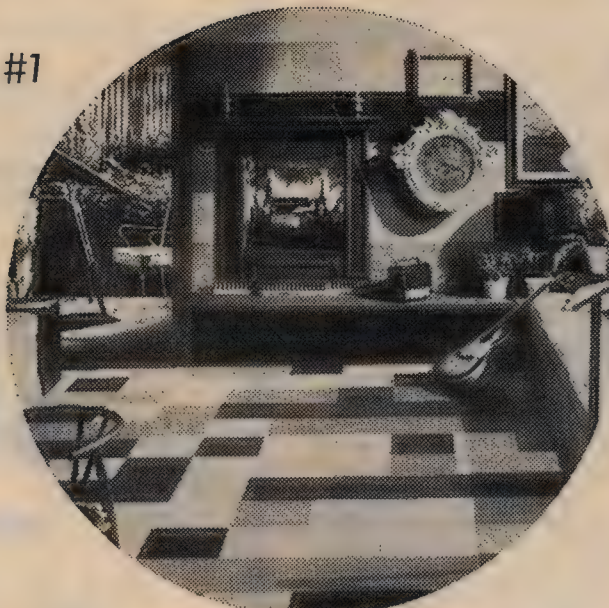

Mr. Wes Ratzlaff is 1st Vice President and Mr. Otto Nickel, 2nd Vice President. The changes become effective June 15th.

Parkland Notebook

The swimming program this year is underway, with notices already passed out to some 5000 students. Registration will be held at all schools June 10th and 11th at 12:00 noon.

It is expected that 1000 participants will be looking for instruction this year. We will only be able to accept a limited number however, due to limited facilities. Pools in Edmonton, Devon, and Drayton Valley will be utilized as well as the pool at Entwistle.

Information on bus routes and pick-up points will be available

at registration. These Red Cross lessons are most valuable to insure water safety awareness in our County.

Note: If registration from Cynthia and Lodgepole warrants it, busing may be arranged from these points.

Plans are now underway for the County of Parkland's summer recreation program, "Summer '70". The playground program run by the Recreation Department last summer was successful on the whole. This year, however, it was decided to offer a program designed to appeal to all ages, resulting in total community involvement. Supervisors of the program are Sharon Mielnichuk and Helen Letourneau.

BURTONSVILLE NEWS

Mr. Bill Cowley has sold his ranch and the new owners will be moving here after school ends this term.

Revival meetings by Rev. Clyde E. Coxson of Bow, Washington will be held from Wednesday June 3rd to June 14th. He served here 30 years ago, for four years as District Superintendent. His wife will accompany him on his visit to the area.

LeRoy Greanya is now working at Fort McMurray along with his brother-in-law Don Elmore.

Mary Tattersall spent a couple of days in Edmonton this week. Rev. J.D. Kennedy has his two daughters, Jean Smith and Alice Marshall of Jarvie, visiting and helping him this week.

Mr. Henry Gablehouse of Edmonton, who spent the winter in Vancouver, visited in the neighborhood on Sunday.

Garry Greaya and a friend of Edmonton were in the neighborhood on the weekend.

Gardens are coming up nicely but also going down from so many cut worms.

MAGNOLIA NEWS

Congratulations are extended to Mr. and Mrs. Harry Saunter, nee Virginia Webber, on the safe arrival of their baby daughter, Kayan Tarrah. This wee miss arrived at the General Hospital on May 26th and weighed 5 lbs. 11 ozs. She is the first great

grandchild for Orris and Dorothy McWillis.

Several families from this area attended the first gymkhana session held at Evansburg on Sunday, May 31st. A good crowd was reported.

Mr. Frank Beckley of San Diego, California, spent five days this past week visiting with his sister, Marie June and her family.

Birthday greetings go to Dean Manchester who celebrated his birthday on May 28th.

The local senior men's ball team played Seba Beach on May 31st at Seba. The score was 32 to 10 in favor of Magnolia.

We are sorry to learn that Mrs. Rudolph Gylander is confined to hospital in the Misericordia Hospital. Get well soon.

Roger Hampton and Vernon Thomeus attended the Cubaree held at the Pembina Park on Saturday, May 30th. There were approximately 200 boys present.

DRAYTON VALLEY UNITED CHURCH

REV. E. MARTIN, U.N.D., C.D., B.A.

(Uniting Congregationalists, Methodists, Presbyterians and E.U.B.)

11:00 a.m. Divine Worship. Sermon: "Finding a Way of Life". The following three ladies are responsible for the entire service today - Mrs. Boles, Mrs. Hoyland Jr. and Mrs. Gill. Everyone is most cordially welcome.

NOTE: Summer camps of the United Church - there are a dozen or more for our area - for boys and girls, would like more registrations from our congregation. Please consult the reading rack or the bulletin board in the church or the minister.
The Unified Board meets on Wednesday 17th of June at 8:30 p.m.
